All-Russian Conference with International Participation
"BIOTECHNOLOGY – FROM SCIENCE TO PRACTICE"
City of Ufa, September 23-26, 2014

Dear colleagues! On September 23-26, 2014, in City of Ufa on the basis of the biological faculty of the Bashkir State University will be held all-Russian conference with international participation "Biotechnology – from science to practice", dedicated to the memory of Professor Nailya Kireyeva.

The conference will be held as a plenary or section sessions and poster presentations. Conference working languages are Russian and English.

The deadline for registration and submission of materials is **August 1**.

The main directions of the conference work are:

Section 1. Soil microbiology and bioremediation of polluted urban territories

Section 2. Agricultural biotechnology, physiological-biochemical bases of plant resistance

Section 3. Biomedicine, medical genetics and quality of life

Section 4. Molecular biology, genetic engineering

Section 5. Industrial biotechnology

Detailed information about the conference will be available on the conference website (see below) and in the Second information letter, which will be sent to registered participants.

The conference articles will be published in the conference proceedings. The conference proceedings will be registered in the Russian scientific electronic library (Russian Index of Scientific Citation). In addition, it is planned to publish articles in the journal "Bulletin of Bashkir State University", included in the List of leading reviewed scientific journals of the Russian Federation.

ORGANIZATIONAL ISSUES

For participation in the conference you should until August 1, 2014, send us **an article** (for conference proceedings or for a journal) and **registration information**: full name, email, city, full name of organization (institute, university, company etc.) you are working, job title, academic degree, the section of the conference, the title of the article (and authors, if more than one), participation form (oral presentation, poster). Participation for the foreign attendees is free.

GUIDELINES

For publication in the conference proceedings, articles of 3 to 5 A4 pages should be done in Microsoft Word and have the options: all the margins are 2 cm, font Times New Roman, size of font – 14; single line spacing, justified alignment, indent level 1.25 cm, links to references in square brackets.

The materials should meet the requirements: title of the article made in capital bold and centered, the following line – names of authors, then the name of the organization; after the article – a references list.

The file must be named by the surname of the first author, for example: *Smith.doc*.

Participants wishing to publish an article in the journal "Bulletin of Bashkir State University" have to prepare materials in accordance with the "Guide for authors" (<http://bulletin-bsu.com/en>).

CONTACTS

Postal address of the Conference organization committee:

450076, Russia, City of Ufa, Validi street, 32, Bashkir State University, department of biology.
